DIFFERENTIATORS

100-Point Evaluation Framework

Every opportunity passes a five-pillar internal scoring model — supplier, product, compliance, pricing, inventory — before any commitment of capital.

Bilingual Procurement Operations

English and Spanish procurement fluency, built for U.S. federal, state, and municipal buyers as well as South America trade corridors.

Two Disciplined Divisions

Commerce and Construction under one Florida LLC — the operational muscle of a licensed contractor applied to B2B commerce.
